### HONORING THE LIFE OF DR. WING MAR

#### HON. TED LIEU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 21, 2019*

Mr. TED LIEU of California. Madam Speaker, I rise to celebrate the life of Dr. Wing Mar, esteemed doctor, beloved husband, father, and former member of the Torrance-South Bay YMCA Board of Managers.

Dr. Wing Mar was born on January 15, 1924 in China and immigrated to the United States as a very young child with his family. After serving with the 10th Army Corps as an intelligence member of the 711th Tank Battalion headquarters during World War II, he attended University of California, Berkeley, and later graduated from the University of South Dakota Medical School.

Dr. Mar had a long and impressive career in medicine while also serving for many decades as a leader in his local YMCA. He has always been an important member of his community, working to improve medical care for the elderly, participating as a member of Physicians for Social Responsibility in the 1980s and becoming a charter member of the Chinese Historical Society of Southern California in Los Angeles. It was thanks to Dr. Mar's fundraising skills that the Chinese Historical Society was able to financially secure a Los Angeles headquarters in two beautiful historical homes in Chinatown. He will forever be remembered for his work as a doctor and volunteer with a desire to make an impact in his community and beyond.

Dr. Mar is survived by his wife Joyce, their children Jeff, Gayle and Carolyn, six grandchildren, and four great-grandchildren whom I hope take comfort in the way he lived his life as a healer, a community leader and compassionate citizen. May his memory be a blessing to us all.

### RECOGNIZING GENERAL ANDREW J. GOODPASTER

#### HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 21, 2019*

Ms. SCHAKOWSKY. Madam Speaker, I want to recognize the following letter submitted to the Daily Herald newspaper by my constituent Frank G. Splitt of Mount Prospect, Illinois. Mr. Splitt rightly acknowledges the contributions to our nation made by General Andrew J. Goodpaster, who amongst other things, served as the Supreme Allied Commander, Europe, and superintendent of West Point. I encourage all my colleagues to learn about the contributions made by this legendary general from Illinois.

[From the Daily Herald, Mar. 9, 2019]

AN ILLINOISAN TOO IMPORTANT TO IGNORE

(Letter to the Editor, Opinion)

In a recent Wall Street Journal column, "Five Best Books on American Generals" Winston Groom recommended works about military leaders. C. Richard Nelson's book, "The Life and Work of General Andrew J. Goodpaster," was conspicuous by virtue of its absence from Groom's list—so too was the absence of General Goodpaster from the Herald's March 3, 2019 supplement, "Illinois' Rich History, People Places & Things that Make Illinois Stand Out."

Readers of Nelson's biography will find that Goodpaster (1915-2005), born in Granite City, Illinois, graduated from West Point in 1939. He was a soldier, engineer, and scholar who led and fought with uncommon valor in World War II, advised several presidents, most notably President Dwight D. Eisenhower, and served as NATO's Supreme Allied Commander, Europe (1969-1974). He has been called the finest officer of our era.

Goodpaster was brought out of retirement in 1977 to serve as the superintendent of West Point as it was reeling from a cheating scandal. In his four-year tenure at the academy, he sought to substitute "positive leadership" for hazing and personal abuse.

Subsequent to Goodpaster's government service, among other things, he served as the Chairman of the George C. Marshall Foundation and as a senior fellow at the Woodrow Wilson International Center for Scholars. He was the recipient of the Presidential Medal of Freedom, by President Reagan in 1984, for "lifetime accomplishments that changed the face and soul of our country."

Goodpaster's approach to analysis and decision making provides valuable lessons for current and aspiring leaders. His life story should serve as an inspiration to others who are challenged with the task of resolving complex domestic and foreign policy issues. It has been said that General Goodpaster remains "too important to ignore."

FRANK G. SPLITT,

Mount Prospect.

*Thursday, March 21, 2019*

Mr. MCCARTHY. Madam Speaker, I rise today to honor and recognize Mrs. Jerry Ludeke as the recipient of the 2019 Bakersfield College Foundation Service Medal.

Jerry's passion for academia can be traced back over half a century to her days as an undergraduate at Indiana University After graduating, Jerry began teaching at a junior high school before returning to school to complete a Masters in Fine Arts at Tulane University in New Orleans, where she concurrently taught several undergraduate courses. Upon completion of her Masters, Jerry selflessly decided to serve as a missionary for the Presbyterian Church in Beirut, Lebanon, at the then-named Beirut College for Women. Increased hostilities in the Middle East cut the mission short, and Jerry returned to school once again—this time as a graduate student at Stanford University There, she met fellow Stanford graduate and Army veteran, John Ludeke.

Jerry and John married in 1959 and settled in Bakersfield, California, where they quickly
